

Let your face shine today!

Anyone looking for professional makeup artists in the bay area should stop their search at Queen Spa. We are the area's most sought after spa and makeup is one of our specialities.

No matter what you need, we have you covered

At our spa, we take pride in meeting all of your needs. We cover everything from massage, to cutting edge skin care, to a full list of makeup options.

Makeup is an art, and we are excited to now offer makeup lessons to our clients. During these sessions, we teach all ages the latest trends and how to highlight all of your best features. Of course, we have a wide variety of eyelash options available as well. Whether you want the addition of false eyelashes or maybe a full set of extensions, we are your source for makeup know how!

Interested in learning more about permanent makeup? No other spa has a staff of highly trained pros ready to help with your permanent makeup application. And when it comes to special occasions, we are ready to make this the most memorable experience of your life. We are able to come to your location and stay with you to make sure everything is just as you dreamed it would be. Our years in the makeup field will give you the confidence to glow on your day, as we work to bring out the best in you!
